RE: Vanesa Wojtanowicz

To Whom It May Concern:

This letter is to convey to you my personal recommendation on behalf of and for Vanesa Wojtanowicz.

Anyone would not only be fortunate but blessed to have Ms. Wojtanowicz working with them. She is an energetic, enthusiastic individual. Her tenacious spirit together with her creativity has stood her in good stead in getting multiple projects accomplished over the years.

A multi-disciplinary artist as well as a small business owner, she has abundant knowledge, skills, and great ability to bring to the table regarding budgetary and grant-writing needs. She has worked with a wide variety of individuals, as well as regularly performed in public venues, thus honing her public speaking skills.

Ms. Wojtanowicz's experience, intelligence, skills – and yes her warmth and humor – makes her a great asset to anyone's team.

Signed,
